

THE DAILY STAR

SATURDAY, JUNE 13

LOCAL BREVITIES.

TRINITY Sunday to-morrow.
The Hon. W. P. Wilcox is a grandfather. Take in that big ten-cent concert to-night. The big organ will not be heard to-night. O'Leary will surely finish his walk on time.

The talk about railroad strikes here is chimerical.
The Music Hall will be open even to the poorest this evening.

CHIEF BUNKER, while at the fire yesterday, received quite a severe cut in the head.

The Robinson Sharpshooters have issued invitations to a grand picnic, to be given at Price's Hill, June 21st.

ALFRED M. COOK, formerly of this city, and brother of Milton H. Cook, died at Redwood Falls, Minnesota, recently.

The Friends' Lyceum gave their closing entertainment for the season at the residence of Mr. C. F. Adams, last evening.

The closing exercises of the Girls' Preparatory School of Wesleyan College occurred yesterday, and were highly spoken of by those who had the pleasure of attending.

The public lamps will be lighted to-night for the first time since last Monday, and then they will shine only from 5:15 to 10:30 a.m. to-night.

It is expected that the Central Presbyterian Church will extend a call to Rev. Robt. Patterson, D.D., of San Francisco, Cal., to become their pastor.

F. HUBER, a young man in the employ of Thomas Lloyd, was fined \$25 this morning for embezzling \$20, which he had collected for his employer.

The remains of the late Capt. W. W. Peter, who died at St. Louis last Tuesday, passed through this city this morning en route for Lexington, his former home.

JOHN GREEN, the "crook" who took \$6 in money from the pocket of a small boy on Sixth and Main streets, a few days ago, was sent out for three months this morning.

S. MARKS, charged with receiving fifty pairs of shoes that had been stolen from the U. S. Custom-house, was arraigned before Commissioner Hooper yesterday, and his trial set for next Monday.

DR. BECKWITH states that there is no compromise so far as he is concerned, but the whole vexed question will be discussed at the meeting of the Board of Trustees of Pulte College next Monday evening.

To-morrow afternoon at 3 o'clock, at Arbetter Hall, a discussion of the railroad question will occur. Hon. Wm. M. Corry, Solomon Ruthenberg, Philip Van Patten and others will participate in the debate.

FRIEZE BELGIER, a carriage maker about thirty years of age, was arrested yesterday on the charge of being the father of Mary Walther's five-year old child. In default of \$300 bail he was committed to jail by Squire Lee.

ANGELO KOLAFAT, while aiding in putting a fireproof safe into the office of a dentist, on Eighth and Elm streets, yesterday, received a heavy blow from a falling timber, injuring him internally. He was taken to the Hospital.

The picnic at the Bellevue House next Monday afternoon and night is for the benefit of Mr. Jacob Pittner and family. Mr. Pittner was formerly a policeman, but has been a sufferer from paralysis for four years past and unable to do anything for his family's support.

The bad house of Jennie Butler, on Longworth street, was pulled last night, and nineteen of the girls looked up at the Ninth-street Station. With the exception of Elizabeth Powell, who was sent out this morning for thirty days on an old charge, they will all be tried next Wednesday.

MISS FREEMAN'S SCHOOL at Price's Hill closed its first year of work yesterday. An interesting programme, embracing literary and musical exercises, was rendered, and a fine display of drawing and sewing from the different classes was made. At the close of the other exercises refreshments were served.

The Ohio & Mississippi Railway have placed on their line an additional train from Louisville to Cincinnati, leaving Louisville at 2:30 a. m. daily, reaching Cincinnati at 7:15 a. m. The sleeping car on this train will be opened for the reception of passengers at their depot, 141 Fourth street, at 10 p. m. This will give the O. & M. three trains each way.

Committees representing the Relief Union and the Protestant and Catholic Orphan Asylums met at Manchester Hall last evening to arrange for a concert, rather than of them, to be given for the benefit of the institutions named. Committees on Finance, Arrangements, etc., were appointed, and a time—September 26th and 27th—fixed for the concert. They will be given by the Cincinnati Sengenberg at the Music Hall.

The House of Refuge has undergone its annual painting and decoration under the able management of Superintendent Montfort, from whom no better or more urbane gentleman ever governed a like institution. Mr. J. B. Radcliffe did the painting and decorating, which reflects great credit on him as a tasteful artist. The best of health, happiness and fine discipline reigns in the above grandest of the grand institutions the Queen City boasts.

The following awards of premiums have been made to exhibitors in the Carving Department of the School of Design: First prize, best design and execution, No. 49, carved cherry lace box, Annie Empson; second prize, second best do., No. 39, picture frame, O. P. Dixon; third prize, best design without reference to execution, No. 138, cabinet and secretary, Edith Thomas. The jurors were Mrs. Aaron F. Perry, Mrs. Wm. Sterrett and Mr. Robert Rogers. The Exhibition is well attended. It will close to-day.

Last Thursday morning a trunk and its contents, valued at \$900 and \$130 in money, was stolen from John Hohn, corner of Thirtieth and Walnut streets. Shortly after Barney Funk in company with another man was seen carrying the trunk down the street, but nothing more was heard of the affair until this morning when Barney was arrested on the street. The property was not found, but Barney's trial was continued this morning until June 19th, that a search might be made.

The Robinson Sharpshooters, second team of Robinson Light Infantry, give a grand picnic at Price's Hill on June 21st, where there will be a grand target match for three handsome gold badges. The first for the best rifle team of the Ohio National Guards; the second for the best marksmen of the Ohio National Guards; the third for the best marksmen, open to all. The Champion City Guards of Springfield, Harries Guards of Dayton, Hamilton Light Infantry of Hamilton, all the companies of the First Regiment, and several other companies in the State are expected to be on hand and compete for the first prize.

Yesterday afternoon the clerk of the Hummel House, corner of Ninth and Sycamore streets, missed \$75.30 from the safe,

and at the same time Timothy Woods, the bell-boy, living at No. 4 New street, was also missing. A search for the money was immediately begun, and at 11 o'clock last night he and his two brothers, James and William, were found and taken to the Station-house. On being searched all but a few dollars of the money was found in their possession, and also the keys to the safe. Their trial will take place June 20th, when they will undoubtedly be sent to the House of Refuge.

At St. Philomena Church.
There will be a grand time Sunday morning next at St. Philomena Church, on East Pearl street, the occasion being the reading of his first High Mass by the Rev. John Weber. The excellent choir will be assisted by some of our best local talent, who have kindly tendered their services, among whom are Miss Lulu Stevens, Miss Emma Heitich, Miss Maggie Gobb, Mr. H. Midendorf, Mr. J. F. Dunnie, Mr. David Roberts and others. Haydn's Grand Imperial Mass will be rendered with a full orchestral accompaniment.

Halstead Acquitted of Libel.
The much talked-of porcupine libel case was disposed of last evening in the Police Court, before Judge Wilson and a Jury. Mr. Murphy argued the case for the State and Mr. Sage for the defense.
Judge Wilson then charged the jury as to what constituted a criminal libel.
The Jury left the Court-room at 5 o'clock, and an hour and a half later they had agreed upon a verdict and were brought in, returning a verdict of acquittal.
Four ballots were taken. On the first, eight were for acquittal; on the second, nine for acquittal; on the third, eleven for acquittal; and the fourth was unanimous for acquittal.

SOCIALISTIC.

Official Mandate Against Arming.

The following is offered for publication: "Cincinnati, June 12, 1878.
"To all Sections and Members of the Socialistic Labor Party:
"The National Executive Committee has been informed that a few of our party members have associated themselves into military organizations, in several localities, instigated thereto chiefly by a mistaken apprehension that such a course is necessary to the protection of their rights as Socialists. The party authorities would not desire any part of their duty to interfere with such action, were it not attempted by these military organizations to secure recognition at the hands of the Socialistic Labor party, and that it is possible in some instances such organizations may have had the countenance or encouragement of the local sections. Inasmuch as no warrant for such organizations can be found in the platform or Constitution of the party, the proceedings of either of the party Congresses, or in the acts of the Executive Committee, or the Board of Supervision, the said organizations are regarded by the Executive Committee as occupying a position of hostility to the principles and policy of the Socialistic Labor Party, whether so intended or not. We therefore request all party members to withdraw from said military connections, and particularly urge all sections to avoid any official connection with such bodies, and to require that no arms be carried in their processions. If parties thus banded with arms insist upon joining our processions against the wishes of the sections, such sections are advised to compel compliance with their orders.
"Fraternally,
"THE NATIONAL EXECUTIVE COMMITTEE,
"PHILIP VAN PATTEN, Cor. Secretary."

BOARD OF ALDERMEN.

The Question of the City Advertising.

The Board met in regular session yesterday afternoon.
Dr. Stanton offered a new rule, providing that if any member shall absent himself from three consecutive committee meetings of the Board his place shall be declared vacant, and the President shall appoint his successor.
A communication from Mayor Moore suggesting to Council to take steps for organizing a system of volunteer relief in their sections, and promising to co-operate with any such effort to the best of his ability, was filed.

A resolution was adopted to vacate the contract of J. J. Burns for the improvement of McMillan street, from Auburn street to Highland avenue, for non-fulfillment of terms.

Ordinances were passed to assess special tax for the improvement of Dennan street, from Bank street north to present end of boulevard, and to assess special tax for the improvement of Court street to Richmond street.

Ordinances passed by the other Board were concurred in to assess special tax for the improvement of Cook street, from Addison street to Straight street; Dalton avenue, from Gest street to Hopkins street; and Henry street, from Race street to Elm street.

The ordinance to block the square bounded by Wade street, Dalton avenue, Flint street and McLean avenue, was passed.

Mr. Jacobs offered an amendment in the nature of a substitute for the resolution now before Council, for lighting the gas-lamp by contract, to authorize the Committee on Light to advertise for bids for one year, and that the price shall be fixed at \$25 per lamp, instead of \$30.

Mr. Wilson, from the Finance Committee, reported the resolution to authorize the City Clerk to advertise for bids for the city advertising in one German paper, said bids to be opened by the Finance Committee.

Mr. Lee moved to strike out the City Clerk and insert City Auditor, and that the latter open the bids.

Mr. Geiger said there had been so much fooling about the city advertising last year that a whole year's time was lost, and the business was not settled yet.

Mr. Mulvihill wanted the matter referred to the Committee on Law and Contracts.

The City Solicitor was called to throw some light on the subject, and stated that if an English paper was included in the advertisement for bids it might prejudice the case in court by admitting, as it were, that the city has no contract, which it claims to have with the Enquirer, up to September next.

The question then was on concurring with the recommendation of the Committee to strike out one English paper. It was concurred in—yeas 14, nays 13.

The clause requiring a bond of \$5,000 to be filed with the City Clerk instead of the Auditor was concurred in.

The resolution as reported by the Committee was finally adopted—yeas 17, nays 10. Adjourned.

Music.

THE DIME CONCERT.

An opportunity is to-night offered for all the people to see the inside of Music Hall and hear a fine concert for the popular price of 10 cents a piece. The music will be furnished by the very best artists of this city, and the programme is one that would be considered first-class if the admission was put at \$1 instead of 10 cents. To-night is to be the people's night, and it is the duty of all rich and poor to give such an emphatic endorsement to this effort as will convince all that the demand is for good music at moderate prices. Reserved seats are for

sale at the music store of George D. Newhall at 25 cents a piece, and stage seats are issued for 50 cents. People of means who feel like fully encouraging this effort in behalf of music for the masses should not hesitate to secure the stage seats.

THE ORGAN CONCERT.
At the regular organ concert this afternoon a programme is presented with Mr. George B. Whiting, organist; Miss Mary Glass, vocalist, and Otto Singer, pianist.

THE HIGHLAND HOUSE CONCERT.
An audience large, appreciative and finely appearing attended the Highland House concert last night. It was a delightful night for high-top music, and right thoroughly was it enjoyed. Manager Ballenberg had provided an excellent programme, which the Grand Orchestra rendered in its usual excellent manner. Mr. E. Hartley Thompson, tenor, was the soloist. He sung well and added very much to the interest of the occasion.

Concerning Jerry Tullis' Estate.

The death of Jerry Tullis, the millionaire of this city, will be remembered undoubtedly by most of our citizens. He lived and died a miser, but having been a cute speculator gained an immense fortune. His land was in almost every State of the Union. Here purchases were such as cost but a trifling sum, whereas his sales of the same sometimes gave him a profit of 200 per cent. or more.

A curious thing, which is quite the opposite of Jerry's way of doing business while he was alive, has just come to light. Recently the heirs of Tullis concluded to get rid of some chattels on a farm near Finneytown, about two miles from Winton Place, by selling them at auction sale. Among the articles sold and the wonderfully low sums they realized were these. Ten tons of hay brought \$1. One horse valued at \$85 was knocked down for \$12, and another good horse for \$4. Two mules valued at over \$200 were sold at \$25.50 each, and a valuable buggy brought only one-fourth of its original cost.

Had such a thing happened to Jerry during his life he would probably have grieved himself to death.

Crotty Climbs Out.

Government Gauger Mike Crotty was relieved from further duty by Collector Amor Smith, as reported in the Star the other day. A polite note was sent to Crotty by the Collector day before yesterday to that effect, and asking that he turn over his keys and other Government property in his possession to his successor.

Crotty couldn't or wouldn't see it in that light, and refused to accept a dismissal from the Collector, saying that only the Secretary of the Treasury had the power to remove him, and he would not climb out until the Secretary said so, and not a minute sooner.

Collector Smith telegraphed to Commissioner Raum yesterday and was sustained in ordering Crotty's dismissal.

This was then imparted to that gentleman, who last evening succumbed to his fate and handed over his keys.
